

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

DAY 1 • 23 APRIL, TUESDAY

Investment climate within Russian Oil and Gas sector.
 Status and prospects of the main Russian Oil and Gas projects

10:00-17:00	Registration of Congress speakers and delegates <i>Congress Foyer</i>
10:00-10:30	<i>Coffee talks</i> <i>Congress Catering Hall</i>
10:30-12:30	PLENARY SESSION 1 Key Trends and Development tendencies in Russia's Oil and Gas Industry
12:30-13:10	<i>Lunch talks</i> <i>Congress Catering Hall</i>
13:10-15:10	PLENARY SESSION 2 Investment into the Russian Oil and Gas sector in modern economic conditions
15:10-15:30	<i>Coffee talks</i> <i>Congress Catering Hall</i>
15:30-17:30	PLENARY SESSION 3 Status and main development trends in field developments (onshore and offshore)

DAY 2 • 24 APRIL, WEDNESDAY

Main directions for the of Oil and Gas industry management efficiency improvement

10:00-17:00	Registration of Congress speakers and delegates <i>Congress Foyer</i>
10:00-10:30	<i>Coffee talks</i> <i>Congress Catering Hall</i>
10:30-12:30	PLENARY SESSION 1 Status and main trends in development of new Hi-Tech process facilities: LNG, Oil and gas refining, Oil and Gas chemistry
12:30-13:10	<i>Lunch talks</i> <i>Congress Catering Hall</i>
13:10-15:10	PLENARY SESSION 2 Oil and Gas industry digitalization and new technologies as investment attractiveness improvement strategy
15:10-15:30	<i>Coffee talks</i> <i>Congress Catering Hall</i>
15:30-17:30	PLENARY SESSION 3 Import replacement and localization in oil and gas Industry as a locomotive for the further development of machinery complex

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

DAY 3 • 25 APRIL, THURSDAY

Education and career in the Oil and Gas industry. Youth day

10:00-14:30	Registration of Congress speakers and delegates <i>Congress Foyer</i>
10:00-10:30	<i>Coffee talks</i> <i>Congress Catering Hall</i>
10:30-12:30	PLENARY SESSION Staff development in main Oil and Gas companies
12:30-13:00	<i>Coffee talks</i> <i>Congress Catering Hall</i>
13:00-15:00	YOUNG SPECIALISTS' SESSION <i>Partner: International Energy Policy and Diplomacy Institute (MIEP MGIMO)</i> Interactive business-game «Oil Monopoly»

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

DAY 1 • 23 APRIL, TUESDAY

Investment climate within Russian Oil and Gas sector.
Status and prospects of the main Russian Oil and Gas projects

10:00-17:00	Registration of Congress speakers and delegates <i>Congress Foyer</i>
10:00-10:30	Coffee talks <i>Congress Catering Hall</i>
10:30-12:30	PLENARY SESSION 1 Key Trends and Development tendencies in Russia's Oil and Gas Industry
	<p>Co-Chair: Tatyana Mitrova, Director, Energy Centre, SKOLKOVO Business School <i>Welcome speech</i></p> <p>Aleksey Grivach, Deputy Director, National Energy Security Fund</p> <p>Invited Speakers: Igor Shpurov, General director, Federal Agency on Mineral Resources (Rosnedra), State Commission on Mineral Resources <i>Key Trends and Development tendencies in Russia's Oil and Gas Industry</i></p> <p>Charles Hendry, ex- Minister of State for the Department of Energy and Climate Change, UK; Chairman of the Advisory Board, Russo-British Chamber of Commerce; Advisor to President, VITOL; President, British Institute of Energy Economics (BIEE) <i>Opportunities for Russia and UK to work together in the Oil and Gas sector</i></p> <p>Mehmet Samsar, Ambassador of Republic of Turkey to the Russian Federation <i>Russia-Turkey relations in the field of energy</i></p> <p>Nataliya Zaiser, Secretary General, Russian National Committee of the World Energy Council / WEC Russia <i>"Soft power" tools to promote the Russian agenda in the international aspect of the Oil and Gas industry development</i></p> <p>Vladimir Drebenstov, Head of Russia and the CIS economics, BP; Vice President, BP Russia <i>Forecast of the development of world energy until 2040</i></p> <p>Artyom Tchen, Senior analyst, Rystad Energy <i>Russian oil supply in the post-shale-revolution market realities: challenges and opportunities</i></p> <p>Kirill Vikulov, Partner, Baker & McKenzie <i>Key changes in Russian tax legislation for the Oil and Gas industry: the completion of the tax maneuver</i></p> <p>Aleksey Grivach, Deputy Director, National Energy Security Fund <i>Closing address</i></p>
12:30-13:10	Lunch talks <i>Congress Catering Hall</i>
13:10-15:10	PLENARY SESSION 2 Investment into the Russian Oil and Gas sector in modern economic conditions

Chair:

Valery Bessel, Executive vice president, NewTechServices; professor, Gubkin Russian State University of Oil and Gas (National Research University)

Invited Speakers:

Anton Rubtsov, Director of the Oil and Gas processing department, Ministry of Energy of the Russian Federation
Investments in Oil refining and Oil and Gas chemistry

Valery Bessel, Executive vice president, NewTechServices; professor, Gubkin Russian State University of Oil and Gas (National Research University)

Investment potential for the Russian Oil and Gas sector in terms of sanctions

Gabriel Di Bella, Resident Representative, International Monetary Fund in the Russian Federation
Oil sector developments and economic growth in Russia

Alexis Rodzianko, President, American Chamber of Commerce in Russia
Investments of American companies in Russia: current trends

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

Yuri Andreev, Executive Director, Petroleum Advisory Forum / PAF

Russia and international investors to the energy sector - best practices

Tobias Schuchmann, Account-Manager, Gas Supply & Origination, Uniper Global Commodities SE

Investment security in the natural gas industry – the hydrogen case

Ronald Smith, Oil & Gas analyst, Head of Equity Research, Citi Research Russia

Investment climate within Russian Oil and Gas sector

15:10-15:30

*Coffee talks
 Congress Catering Hall*

15:30-17:30

PLENARY SESSION 3
Status and main development trends in field developments (onshore and offshore)

Chair:

Mikhail Grigoriev, Director, GECON LLC; Member, Scientific council of the Russian Academy of Sciences for Geology and Development of Oil, Gas and Coal Fields; Member, Scientific and technical council of the Ministry of Natural Resources and Ecology of the Russian Federation

Welcome speech. Arctic offshore: the change of development paradigm

Invited Speakers:

Rustam Romanenkov, Deputy general director for legal, corporate and property matters, Gazprom Neft Shelf

Statutory regulation aspects for the use of the Arctic resource potential. Experience in the development of the Arctic offshore. Current priorities.

Alexey Fadeyev, Head of production support directorate, Gazpromneft-Sakhalin

Operations of Gazprom neft in the Ayashsky licensed area in the Okhotskoe Sea

Thor Christian Andvik, Project Director Arctic and Cold Climate Solutions, Norwegian Energy Partners / NORWEP

Norwegian technology/ world-class solutions for harsh environments Arctic and cold climate

Anatoly Arabsky, Deputy chief engineer for R&D and ecology, Gazprom Dobycha Yamburg

Yamburg and Zapolyarnoye fields development: search for innovative solutions

Ildar Akhmadeishin, Director, project monitoring group, hard-to-recover reserves, RITEK

Development of a multilayer field with simultaneous utilization of associated petroleum gas on the example of the Menzelinsky field

Tamara Safonova, Executive director, Independent analytical agency of the Oil and Gas sector; Assistant professor, International Commerce Department, RANEPА

Forecast of oil production in Russia. Overview of new projects for the transshipment of oil cargo

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

DAY 2 • 24 APRIL, WEDNESDAY

Main directions for the of Oil and Gas industry management efficiency improvement

10:00-17:00	Registration of Congress speakers and delegates <i>Congress Foyer</i>
10:00-10:30	Coffee talks <i>Congress Catering Hall</i>
10:30-12:30	PLENARY SESSION 1 Status and main trends in development of new Hi-Tech process facilities: LNG, Oil and gas refining, Oil and Gas chemistry
	<p>Chair: Vladimir Vovk, Adviser to General Director, Gazprom нефт shelf <i>Welcome speech</i></p> <p>Invited Speakers: Igor Lyashkov, Deputy director, FGUP Scientific and Technical Center “Chimvest”, Minpromtorg Russia <i>Informational support of chemical and petrochemical enterprises</i> Oleg Vedernikov, Head of refining development division, Gazprom Neft; Mikhail Reshetov, Chief of Strategic planning division, Gazprom нефт <i>Implementation of modernization programs for refineries of Gazprom нефт; development of own technologies and catalysts for Oil refining; development of a catalyst business; promising refinery modernization programs (development of petrochemistry)</i> Vyacheslav Agafeev, General director, Honeywell UOP <i>The future of Oil refining in the CIS - the integration of Oil refineries and Petrochemical facilities to increase profitability</i> Anna Galtsova, Associate director, IHS Markit <i>Major trends in the global Gas market; positions of Russian LNG projects</i> Mustafa Kashka, General director, FSUE Atomflot <i>Icebreaker support of large national LNG projects</i> Alexander Gritsenko, Advisor to General Director, Gazprom VNIIGAZ, corr. member RAS., Valery Plotnikov, Expert, STG Engineering <i>Production of Gas and Petrochemical products in the Russian Federation. Economic incentives and tools to improve competitiveness</i> Dmitry Siginevich, Researcher, The Energy Research Institute of the Russian Academy of Sciences <i>Planning for the development of Gas and Petrochemical complex based on the resources of Eastern Siberia</i></p>
12:30-13:10	Lunch talks <i>Congress Catering Hall</i>
13:10-15:10	PLENARY SESSION 2 Oil and Gas industry digitalization and new technologies as investment attractiveness improvement strategy

Chair:

Matin Tadzhev, Project director, Center of Oil and Gas technologies of Rostec State Corporation

Invited Speakers:

Sergey Frolov, Head of Center of Excellence, Oil and Gas industry, SAP

Oil and Gas industry digitalization today: trends, project examples

Victor Dozortsev, Business Excellence Manager, Honeywell

Digital Transformation in Oil and Gas Industry

Aleksey Agapkin, Chief Digital Officer, SIBUR

Digitalization in petrochemical production

Arsylan Biktyakov, Chief specialist, Operation control department, Gazprom нефт shelf

Offshore assets digitalization. “Poseidon” programme

Matin Tadzhev, Project director, Center of Oil and Gas technologies of Rostec State Corporation

Digital market of Oil and Gas equipment

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

Yana Krukhmaleva, Project director for the implementation of project and risk management system, Gazprom
Implementation of an automated project and risk management system. Information security and cyber risks.
PJSC Gazprom

Torsten Murin, Managing director, Wintershall Russland GmbH
An approach how to bring a Digital Transformation to Life

Anatoly Dmitrievsky, Academician of the Russian Academy of Science; Director, Institute of Problems of Oil and Gas, Russian Academy of Sciences; Nikolay Eremin, Deputy director for innovations, Institute of Problems of Oil and Gas, Russian Academy of Sciences, Professor, Gubkin Russian State University of Oil and Gas (National Research University)

International center of competence in the field of digital modernization of the Oil and Gas industry

15:10-15:30

Coffee talks
Congress Catering Hall

15:30-17:30

PLENARY SESSION 3
Import replacement and localization in oil and gas Industry
as a locomotive for the further development of machinery complex

Chair:

Edmund Ongemakh, CEO, Geosvip; Director of Technical Development and Innovations, Rosgeo

Welcome speech

Invited Speakers:

Minpromtorg Russia

Topic TBC

Oleg Zhdaneev, Head of technology center for Energy sector, Ministry of Energy of RF

Oil and Gas complex technological development

Sergey Arkhipov, Head of Department of technology partnership and import substitution, Gazprom neft

Development of a national system of manufacturers and suppliers

Konstantin Radinsky, President, Association of Oil-and-Gas equipment producers

Import replacement in oil and gas complex: actual problems and its solutions

Svetlana Fadeeva, Deputy General Director, United Rocket and Space Corporation (Roscosmos State Corporation)

Space energetics

Leonid Levkov, Head of the laboratory of special electrometallurgy, JSC "RPA "CNIITMASH" (JSC Atomenergomash, ROSATOM), Dr. Science

Corrosion-resistant nanostructured duplex steel for Oil and Gas production equipment

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

DAY 3 • 25 APRIL, THURSDAY

Education and career in the Oil and Gas industry. Youth day

10:00-14:30	Registration of Congress speakers and delegates <i>Congress Foyer</i>
10:00-10:30	Coffee talks <i>Congress Catering Hall</i>
10:30-12:30	PLENARY SESSION Staff development in main Oil and Gas companies

Chair:

Anatoly Zolotukhin, Senior Vice-President, World Petroleum Council (WPC); Advisor to the Rector, Scientific Director, Institute of Arctic Petroleum Technology, Gubkin Russian State University of Oil and Gas (National Research University)

Invited Speakers:

Luc Jones, Regional Director, CIS, Fircroft

Cross-Cultural Communication Between Russia and Abroad

Alexander Pechenkin, Director, Gazprom Corporate Institute

Staff development at Gazprom

Andrey Glazkov, HR Head, Tatneft

Organization of high-quality interaction of HR-manager with business areas for the human resource development

Natalia Tomilova, Deputy director for HR and social programmes, RN-Komsomolsk Refinery, Rosneft

Provision of qualified personnel of the Komsomolsk Refinery within the framework of the implementation of the Youth policy of Rosneft Oil Company

Ivan Matlashov, Adviser to General director, Gazprom neft; Chairman, Board of professional qualifications in the oil and gas industry

Staff development under the conditions of professional qualifications in the Oil and Gas complex system building

Ilya Dementiev, Head of the Department – President, Corporate university, Gazprom neft

Gazprom neft Corporate university

Vladislav Bykhanov, Partner, Cornerstone

«There is new turn of the road, what does it bring to us?», or «We stood there long in silence, waiting, With hearts aflutter, wildly beating; The old guard carped and fussed....»

12:30-13:00	Coffee talks <i>Congress Catering Hall</i>
-------------	---

13:00-15:00	YOUNG SPECIALISTS' SESSION Partner: International Energy Policy and Diplomacy Institute (MIEP MGIMO) Interactive business-game «Oil Monopoly»
-------------	---

Chair:

Valery Salygin, Director, International Institute of Energy Policy and Diplomacy MGIMO University (MIEP MGIMO); President, International Fuel and Energy Development Academy

Igbal Guliev, Deputy Director, International Institute of Energy Policy and Diplomacy MGIMO University (MIEP MGIMO)

Rising Power of Global Cooperation

23-25 April 2019

Moscow, Crocus Expo Exhibition Centre • Hall 13, Pavilion 3

15th Russian Petroleum and Gas Congress / RPGC 2019 Programme Committee

This year's agenda has been developed with the input and guidance of the industry leaders represented in the Programme Committee:

Valery Bessel

Executive Vice President, NewTech Services; Professor, Gubkin Russian State University of Oil and Gas (National Research University)

Vladimir Vovk

Adviser to General Director, Gazprom нефт shelf

Pavel Zavalny

Chairman of the Energy Committee, State Duma of the Russian Federation; President, Russian Gas Society

Anatoly Zolotukhin

Senior Vice-President, World Petroleum Council (WPC); Advisor to the Rector, Scientific Director, Institute of Arctic Petroleum Technology, Gubkin Russian State University of Oil and Gas (National Research University)

Mikhail Grigoriev

Director, GECON; Member, Scientific council of the Russian Academy of Sciences for Geology and Development of Oil, Gas and Coal Fields

Olga Luniova

Director, RE3 - Russian Energy Events Experts; Counsellor, ITE Expo International

Tatyana Mitrova

Director, Energy Centre, SKOLKOVO Business School

Valery Salygin

Director, International Institute of Energy Policy and Diplomacy MGIMO University (MIEP MGIMO); President, International Fuel and Energy Development Academy
