OFFICIAL SUPPORT

MIOGE is the leading international exhibition that creates a platform for business communication of the experts in the oil and gas industry, ideas exchange, practices and technologies for effective and comprehensive promotion of equipment for the exploration & production, transportation and processing of oil and gas in Russia.

5 IMPORTANT REASONS to exhibit at MIOGE 2019

1 Direct Contacts with Key Clients

Visitors of MIOGE – specialists and top-level managers of oil, gas and petroleum service companies and dealers.

2 High Return on Investment

MIOGE's visitor promotion strategy is aimed at increasing the deal-making potential of the exhibition.

3 A Clear Segmentation

MIOGE is clearly arranged by product sector, giving visitors a chance to meet their desired equipment suppliers in an easy, quick and efficient way.

4 A First-Class Location

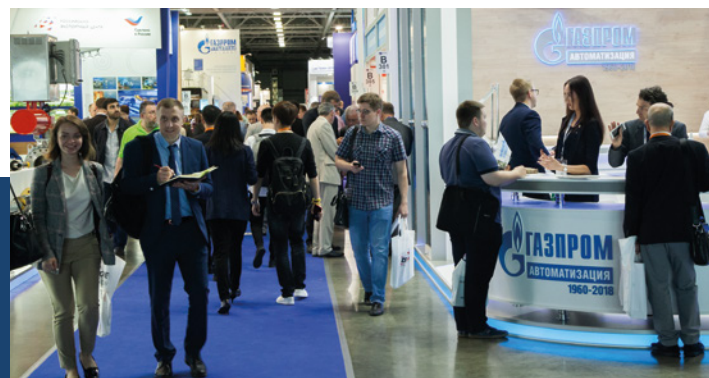

MIOGE takes place at Crocus Expo – Moscow largest and most modern exhibition venue. Free parking for 35,500 cars. Direct access from Myakinino metro station to the pavilions. Easy access from Sheremetyevo airport.

5 Unsurpassed Quality

ITE Group is the leader of the Russian exhibition market and one of the top five organizers in the world. We invest in the quality of our events to ensure we meet the needs and expectations of our clients.

Visitors to MIOGE in 2018 included the following companies:

- Burintekh
- Gazprom
- Schneider Electric

region of Russia

55
countries

As the global oil and gas market transforms, technological change accelerates, and competition in the energy sector becomes fiercer, we gather senior managers from leading Russian and international companies, government representatives, global experts, technical specialists and oil and gas equipment producers.

We ask them one thing – what needs to be done at this moment to ensure future sustainable development for the oil and gas industry?

RPGC OFFERS:

More networking

- Delegates of RPGC have an exclusive chance to network face-to-face with senior managers of oil and gas companies, representatives from government and science, start-ups, influential investors and leading journalists.
- RPGC's specialised networking events include coffee breaks, champagne receptions, and a Gala Dinner.

Strategy

- What will drive the Russian and global oil and gas market?
- Which projects are in the plans of Russia's oil and gas companies?
- The latest information on tenders and equipment needs

Professional development

- Discover real-world examples of how oil and gas companies have introduced advanced technologies in their day-to-day operations
- Put questions to global experts in exploration, production, transportation and refining
- Share knowledge and experience
- Discover career opportunities

In 2019, over 100 speakers from around the world will participate in the event.

RPGC 2019 Speakers:

Intense MIOGE Technical programme includes 5 thematic blocks:

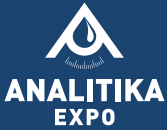

- Oil and Gas exploration & production
- Crude oil, oil products and gas transportation & storage
- Instruments & controls for oil & gas industry
- Technology and equipment for Oil & Gas industry
